

Daffodil Entrepreneurs Forum (DEF) of Daffodil International University Organized **Daffodil Entrepreneurs MeetUp-2017**

Daffodil Entrepreneurs Forum (DEF) of Daffodil International University organized "Daffodil Entrepreneurs MeetUp-2017" today on 25th January 2017 at Banquet Hall in the university. At the MeetUp program, about 300 DIU Alumni Entrepreneurs and some startup students had participated and addressed in a round table discussion with Mr. Md. Sabur Khan, Chairman, Board of Trustees, Daffodil International University (DIU). Professor Dr. Farid A. Sobhani, Director, HRDI, Mr. Syed Maruf Reza, Head, Department of Entrepreneurship of DIU were also present.

Mr. Md. Sabur Khan announced to bring all entrepreneurs under a connecting platform through a Directory Management of Daffodil Entrepreneurs Forum (DEF) where all entrepreneurs will be facilitated to promote their business ventures and newly startups with a B2B networking and Daffodil Business Incubator as DEF has already ensured more than 700 entrepreneurs including startup and successful entrepreneurs who have established their business in home and abroad, and created more than 7000 job opportunities. The program will be continued yearly and will bring some changes in the MeetUp-2018. Very soon an Association naming "Startup Bangladesh" as Chamber of Business will be announced where all current participants will be the prioritized members.

DIU believes to create entrepreneurial employability with a competitive skills, spirit and culture of Entrepreneurship and Interpreneurship among the students and alumni, so that they become efficient and effective with entrepreneurship, not only in business but also in employability.

With a view to creating Entrepreneurship from the beginning of University life among the students, DIU has opened a four years' degree naming "Bachelor of Entrepreneurship" and "Daffodil Business Incubator" so that students can differ on their career choices to set their minds as to whether they will start as entrepreneurs or job-holders.

eCure Prescription Software & Apps

eCure E-Prescription is a time-befitting digital solution for the doctors who believed in digitalized solution with easiest operation. It is a sensible initiative of Daffodil Software Ltd (DSL) with the prior concern of High Court which asks doctors to write readable prescription. In this regard, DSL is going to provide a digital solution which will make communication easier between Doctors, Patients and Drug Stores.

eCure E-Prescription will provide the following solutions-

- Prescription & Quick Print, Image
- Send Prescription via Viber, Messenger, Imo & WhatsApp etc.
- Patients Profile & History, Doctors' Profile
- Treatment Advice and Follow Up
- Transfer Prescription Report to Email
- SMS Notification
- Search By Name or ID
- Online Appointment
- Payment System
- Easy Access from Anywhere
- Database & Digital System

Daffodil Software Ltd is giving a free ID & Password to facilitate more than 500 prescriptions free of cost to each and every Doctor by e-Prescription Online software & Apps. DSL management is thinking about a very nominal fee per prescription after successfully implementing this software.
